# LAIR

## Modern and Modular

Lair stations offer a variety of options and capabilities best used for space division and multiple work surfaces. This versatile product's options include benching, L-shapes, U-shapes, glass divider panels, confab seat cushions, tall hutches, and lower hutches.

Lair is the industry's most modestly priced version of new style modular workstations. It is solidly constructed with metal legs and sturdy stretchers.

\*Can be electrified with ECA Electrical on page 43.

**\$8137 as shown**

**Multi-Layer Station** **\$2730 as shown**

Lair 6'x6' station with multiple "Layers" of storage.

**Flush Height in Tiger Stripe** **\$2903 as shown**

Lair Flush Height Station with Personal Storage Tower. 6'x7'6" overall size. Includes 71x24 Top with 47x24 Return.

# LAIR

Top is required.  
Double wide top (71" wide) ELL-T7124 \$135

# LAIR AND PERIMETER

**PERIMETER** is a new and unique divider system that creates space division easily and very cost effectively. This new invention can mount at the

Perimeter of each station, or split down the middle of multiple stations. These beneficial panels do not take any space from one staff member at the expense of another. Perimeter has aluminum frames with **frosted acrylic inserts or custom upholstered fabric inserts**. Two heights are stocked at 12" and 24". Widths are 24" to 84". The product mounts to desk tops with Aluminum posts. Perimeter works with Lair, Chassis, EL, and EL Status Desks.

Reception counters, both straight and L shaped, attach to Perimeter and create reception stations. Our affordable desk products, plus Perimeter and ECA electrical, create full office "cubicles" without paying for expensive full-height panel systems.

## Perimeter Panels

Panels in 12" and 24" in frosted or upholstered options

**ELL LAIR 2 STATIONS**

Features NEW curved corner work space - 12' x 6' Double Station

# CHASSIS

**CHASSIS** is a new product with full laminate end panels and modesty panels. Grommet holes are included in the end panels of Chassis products to make wiring and wire management easier. Chassis is stocked in WHITE with 4 top choices: White, Dark Walnut, Tiger Stripe, and Modern Walnut. Lair tops and Chassis tops are the same tops and are interchangeable with Lair and Chassis. **L Shapes are our most popular station types.** We stock these in multiple sizes and multiple colors with many choices of Perimeter Divider Panel arrangements.

Dark Walnut

### ASSEMBLY / SPECIFICATION HELP BELOW

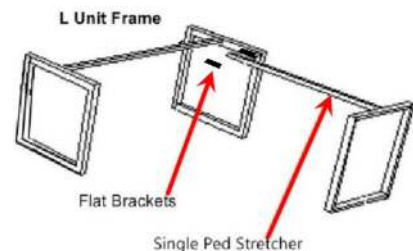

Lair products are modular for maximum flexibility, but require specification of multiple components to make a complete product. Tables consist of a table top, a leg or legs and a stretcher bar for support. Line drawings of common configurations are shown below.

All worksurfaces must have a stretcher BAR for support as shown above. Legs are non-directional. Stretcher is in the middle of the leg and attaches to the leg with screws, provided.

Single Ped Stretcher Bar (or Return)  
Attaches to "O" Leg on Left and Screws to Top with self-taping screws. May need to be cut to fit with tops less than 71" wide.

The end of a Lair table can be an "O" Leg as shown on the left, or a Pedestal can be used as the leg as shown at right.

# CHASSIS

**Mix and Match 4 Top colors: WT, DW, TS and MW with WHITE Lower chassis.**

**Chassis End Panels include Grommet holes to add electrical components.**

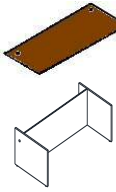

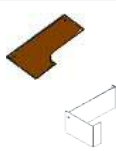

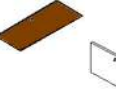

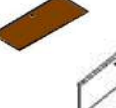

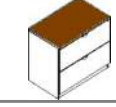

All Lower Chassis are WHITE with choice of 4 top colors:

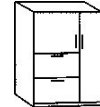

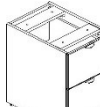

White/White - Dark Walnut/White - Tiger Stripe/White - Modern Walnut/White

Our Desks are now available in 7 colors, or color combinations El Series in all Cherry, Dark Walnut & Mahogany

Chassis in All White, Cherry/White, Dark Walnut/White & Modern Walnut/White

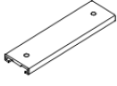

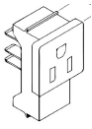

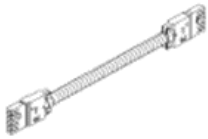

Chassis Tops and Lair Tops are the same product and are interchangeable.

Posts mount with 4 screws through the removable base into the desk top.

Center Panel down the middle of both Desks using 2 Spacers.

Perimeter can mount in the middle of two stations, and NOT take up more space from one employee at the expense of another employee. This is a unique benefit of Perimeter. To mount the center panel down the middle of two symmetrical stations: Use 2 Spacers where shown (Red Arrows)

Use 4 Spacers 4 at the intersection of 4 stations,

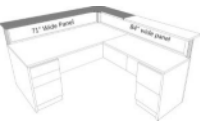

**Further layout help is available, just ask.**

### Transaction Counters to mount on Perimeter Panels

Each is stocked in 5 colors: C, WT, DW, TS and MW. Cherry, White, Dark Walnut, Tiger Stripe (Gray) and Modern Walnut  
1" Thick with 3 mil vinyl edge. Thicker top to match ELS Status is not currently available. 2 Panels in an L is required for Transaction Counters.

Grade A custom upholstery.  
See Status price page for details.

# Height Adjustable Electric Tables

Slat Wall and Accessories on page 8

DT Mobile Ped - Silver - \$345

Item		Table Frame ONLY	+ Top Only	Total
DT-ET Table	Can be assembled to 47-60-66-71" Widths	\$1000	HTTOP - 72"x24" \$180	\$1180
			HTTOP - 60"x24" \$145	\$1145
			HTTOP - 48"x24" \$125	\$1125

**Table Frames & Tops are purchased separately - Top attaches with Self-Taping Screws**

DT Tables are heavy-duty, silver-toned tables with easy to operate control consoles. The control console features an LED height indicator that allows you to easily raise and lower the table top to a desired height. The console comes complete with four programmable presets. The heavy-duty frame can be assembled in multiple widths to fit our 47" to 71" tops. The single motor construction has a 220 pound capacity. Tops are not included in frame pricing.
